Otto C. Kuhrt, Illustrrious Potentate of Melha Temple;
Edward S. Farwell, Illustrrious Potentate of

The following proposed amendments of by-laws of Aleppo Temple, having been offered in writing by Illustrrious Noble Robert Gardiner Wilson, Jr. at the stated meeting held on November 16, 1948 and printed in the call for this Annual Meeting, were brought up for action and upon motion duly seconded, they were unanimously voted as follows:

Strike out Section 3 of Article III, and in order that said section may be in accordance with the Imperial Code, substitute the following: "Section 3. There shall also be elected at the Annual Session in January, in accordance with the provisions of the Imperial Code, as many representatives to the Imperial Council as are required."

In Section 8 of Article III, after the first sentence, insert the words: "All checks drawn, except checks on the Permanent Fund, shall require the signatures of both the Treasurer and the Potentate." So that said section, as amended, shall read: "Section 8 The Treasurer shall receive in charge all the revenue of the Temple; pay all orders and bills authorized or approved by the Finance Committee or by vote of the Temple. In Section 9 of Article III, after the word "Treasurer," insert the words: "by check countersigned by the Potentate," so that said section as amended, shall read; "Section 9. The Recorder shall record the transactions of the

Temple, collect the revenue, pay the same to the Treasurer by check countersigned by the Potentate, and issue notices of all sessions, have charge of the seal and all books and documents whatsoever of the Temple appertaining to his office, and perform all other duties belonging to his office. He shall promptly deliver to his successor in office all the property of the Temple in his possession, and for his services shall be allowed and paid such sum as the Finance Committee may determine."

THE IMPERIAL COUNCIL

of the
Ancient Arabic Order of the
Nobles of the Mystic Shrine
for North America

(An Iowa Corporation)

OFFICE OF THE IMPERIAL POTENTATE,
TYLER, TEXAS, JANUARY 12, 1949.

GENERAL ORDERS No. 3,
SERIES OF 1948-1949.

*To the Representatives of the Imperial Council, Potentates, Recorders
of Subordinate Temples, and the Nobility of the Order:*

"Es Selamu Aleikum"

*Because of apparent confusion in the minds of some Nobles, we give
you the following brief procedure and urge that you read it to your
Nobles and also publish it in your Temple publication, in order
to acquaint all your Nobility with these facts.*

A NECESSARY BUSINESS PROCEDURE IN HANDLING RE- QUESTS FOR SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

When notice of an estate benefiting our Shrine charity work is received by anyone, the notice should immediately be sent to the Imperial Recorder and Secretary, who will obtain a certified copy of the will for our permanent records and furnish the General Counsel with a copy thereof, and a copy to the Local Board of Governors interested. Thereafter the office of the General Counsel communicates with the executor of the estate or his attorney or with some local contact who handles the matter for us. If the estate involves the payment of a specific bequest, it is ascertained whether or not the funds are sufficient to pay the bequest in full and then we simply cooperate with the executor in any way we can, advising him of our exemption from federal and estate taxes, etc. If the estate involves a testamentary trust or a residuary bequest to our organization or if a specific bequest is abated for some reason, then we obtain a copy of the inventory, copies of all documents relating to the administration of the estate, including a copy of the final account and the order of distribution.

If real property is involved, generally speaking, it passes to our organization by operation of law and it is up to us to dispose of the real estate, unless it is sold by the executor for use in the payment of debts of the estate. Where real property is received the sale thereof is handled through the office of the General Counsel upon the approval

over

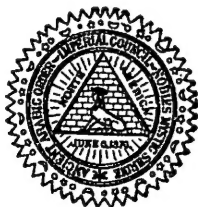

of the officers of the corporation, and in conjunction with the local Board of Governors where property is located in close proximity to one of the hospitals, in accordance with an established procedure, including the obtaining of competent appraisals and full information regarding the property. In connection with securities and other personal property, we examine the list of assets and advise with the executor and his counsel as to whether or not the securities and other personal property should be sold or distributed to us in kind. All of this information is handled through the office of the General Counsel direct with the executor or his attorney, or someone locally who represents us in the transaction.

The distribution is usually made direct to the office of the General Counsel, whether it be in items of cash, securities, or other property, and after checking same with the final account, it is transferred to the Secretary's office for proper recordation on the books and accounts of the Central Office and transfer of the funds to the particular Hospital account to which they belong.

Only by this procedure is it possible to know whether or not we receive our proper share of the distribution of an estate and have the receipts correctly entered on the books and records of the Central Office and the desires of the testator carried out. Any other method of handling these business matters tends to develop a certain amount of confusion and may in some instances jeopardize our tax exemption status as a charitable organization. Imperial Officers, Illustrious Potentates of Temples, Recorders, all Nobles of the Order, and interested parties in banks and trust companies are requested to familiarize themselves with this brief business procedure and in the future notify the office of the Imperial Recorder and Secretary immediately when they learn of an estate in which Shriners Hospitals for Crippled Children is interested.

It is directed that this General Orders No. 3 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council, this 12th day of January A. D., 1949, and of the Order A. H. 1368.

Galloway Calhoun
Imperial Potentate.

(An Iowa Corporation)

OFFICE OF THE IMPERIAL POTENTATE,
TYLER, TEXAS, JANUARY 12, 1949.

— GENERAL ORDERS No. 4,
SERIES OF 1948-1949.

*To the Representatives of the Imperial Council, Potentates, Recorders
of Subordinate Temples, and the Nobility of the Order:*

"Es Selamu Aleikum"

PRE-CEREMONIAL ACTIVITIES

Repeated efforts have been made in past years to discourage certain pre-ceremonial activities that are beneath the dignity of our great Order and the high calling of Nobles of the Mystic Shrine, and nearly all of our Temples have discontinued such practices. Nevertheless, isolated cases are still brought to our attention where candidates are exhibited in street parades, and otherwise before the public, in ridiculous costumes and carrying property items which are belittling to both the candidates and the Shrine and subjecting both to ridicule and adverse criticism, all in direct violation of the Shrine Law.

In our humble judgment, we doubt that any good comes to the Shrine from dressing a candidate in prison garb, clown costume, or by painting his face and thus parading him before the public; and on the other hand, such practices discourage many good men from seeking membership with us.

In calling this to the attention of all Potentates, I want it understood that no one loves wholesome fun more than your humble servant, but I insist that nothing should be permitted on the streets of such nature as to give non-Shriners a warped impression of the Shrine or to furnish those unfriendly to our Order with ammunition to use against us.

It is also directed that no lewd, obscene or objectionable campaign literature in behalf of "ring candidates" will be permitted and no campaign literature for "ring candidates" can be used without first being submitted to and having the approval of the Potentate of the Temple.

I respectfully urge that the Law be strictly complied with and I earnestly request that *all* work together for the honor and glory of the Shrine.

PROMOTIONS FOR BENEFIT OF SHRINERS HOSPITALS
FOR CRIPPLED CHILDREN

*See General Orders No. 2, Series of 1946-1947, published March 1, 1947,
which shall continue in effect until otherwise repealed by action of
the Imperial Council.*

Occasionally it is brought to our attention that some Temples, Shrine Clubs and Nobles of the Order permit shows, games, programs and car raffles—publicizing that profits are to be used for the benefit of the Shriners Hospitals for Crippled Children, and you are respectfully reminded that any promotion of any kind or character using the name of *Shriners Hospitals for Crippled Children* is a direct violation of the law of the Imperial Council, unless, it first, has the approval of the Chairman of the Board of Trustees Shriners Hospitals for Crippled Children.

In order to promote the interests of our great charity work, all Potentates are hereby admonished to alert themselves to this and that no such practices be permitted within his jurisdiction.

It is directed that this General Orders No. 4 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council, this 12th day of January, A. D., 1949, and of the Order A. H. 1368.

Galloway Calhoun
Imperial Potentate.
